

First Grade News

Week of: May 30- June 3, 2011

Language Arts: We will begin this week Theme 10: We Can Do It. The Strategy focus for the week is to summarize what students read, and in comprehension, we will be working on the sequence of events. In phonics, students will be reading words with -r controlled vowels (or, ar, er, ir, ur). Spelling words contain words with -or endings. High Frequency Words are break, divide, began, laugh, sure, second, and head. In grammar, students will be using describing words for taste, smell, and feel.

*End of the year reading assessments begin this week!

Math: We will continue with Unit 9 this week. Students will solve story problems with two multi-digit numbers. They will also be introduced to category problems.

Social Studies: We will continue and wrap up Unit 4: Changes Over Time. This week students will learn how travel has changed over time. Students will also discuss how they can learn about the past. Students will take the unit test this Friday.

Health: The Great Body Shop Lessons

Upcoming Events:

- Wednesday, June 8th: Spring Fling!
- Last day of school - June 15
- Minimum Days- June 13, 14, 15
- Library books are due Thursday!

Thank you for coming to our Open House! It was great to see all of your happy smiles! Your child was so happy to show their growth over the school year! I am so PROUD of each of our star students! ☺
